ABOUT OUR
WINES

Cultivar Wines

Cultivar Wine curates small-lot, terroir-driven wines from premier California vineyards. Crafted by acclaimed Fayard Winemaking, our award-winning wines emphasize balance, elegance, and a deep sense of place—to pair alongside our seasonal, farm-to-table cuisine.

Les Vins Julien

Mindful winemaking for modern living. Lower in alcohol, pure in character, made for balance, and crafted in harmony with nature.

Caspar Estate

Organically farmed in the Napa Valley, Caspar Estate wines reflect hands-on stewardship and a deep respect for the land. Each bottle reflects our commitment to thoughtful farming, minimal intervention, and timeless winemaking, allowing the character of site-specific terroir to show through. Crafted by acclaimed winemaker Julien Fayard of Fayard Winemaking and produced in limited single-barrel quantities, Caspar wines are elegant — defined by a harmonious balance of power and finesse.
